### Black Strobe Contest

Ends Fri, Apr 6th, 2007

Black Strobe will be taking over Fabric - Room 2 - on Saturday April 7th ahead of new single "Shining Bright Star" due on April 16th. As part of the show they'll be performing as a full live band with DJ sets from featured remix artist on the new single Oliver Huntemann, founding member Ivan Smagghe and long time inspirator and dance music legend Andrew Weatherall. Produced by Paul Epworth (Bloc Party) and mixed by Alan Moulder (Nine Inch Nails, Marilyn Manson), "Shining Bright Star" is a mass of dark, gothic, electronic twists and huge basslines. With Arnaud taking on lead vocal duties, Black Strobe have created what can only be described as an acid house, disco-punk anthem.

Subculture magazine is giving away:

- \*5 Signed copies of the Black Strobe Remix album (Black Strobe remixes of Depeche Mode, Bloc Party, The Rapture, Rammstein etc..)
- \*2 Signed copies of *Shining Bright Star* EP on CD
- \*2 Guestlist tickets for Fabric - Room 2 - on Saturday April 7th

### Black Strobe are playing Fabric's Room 2 on Saturday April 7th. What city is Fabric located in?
